

Personal Development 2025

Curriculum Intention: Personal Development

At St Augustine's, our Personal Development curriculum is designed to empower students to become confident, responsible, and well-rounded individuals who are prepared for the challenges of the wider world. We aim to nurture pupils' character, resilience, and wellbeing, ensuring they develop the knowledge, skills, and attributes they need to thrive personally and socially.

Through a carefully structured curriculum that includes PSHE, RSE, careers education, enrichment activities, and cross-curricular links, we ensure that personal development is a core part of the student experience at every stage of their journey with us.

RSE: Right to Withdraw

As part of our curriculum, in year 9 we will soon be delivering Relationships and Sex Education (RSE) lessons in accordance with the statutory guidance from the Department for Education. These lessons are designed to support the emotional, social, and physical development of our pupils and are delivered in an age-appropriate and sensitive manner.

We want to ensure you are fully informed about what your child will be learning and of your rights regarding their participation. Under the current guidance:

- **Relationships and Sex Education (RSE)** is statutory in all secondary schools.
- **Parents have the right to withdraw their child from the sex education elements of RSE that go beyond the national science curriculum.** There is no right to withdraw from Relationships Education or Health Education.

If you wish to withdraw your child please submit a written request addressed to the Headteacher, Mrs Hunt.

Overview Autumn Term 1 – YEAR 9

To enable you to support and consolidate your child's learning and continue these vital conversations at home, please see the overview below.

AUTUMN HALF TERM 1 : PEER INFLUENCES, SUBSTANCE USE AND GANGS

Introduction to Personal Development	This introductory lessons focuses on understanding Personal Development and its importance. Within this introductory lesson the class with teacher support will establish the ground rules for Personal Development lessons considering that sensitive topics will be addressed. This lesson briefly introduces British Values and Protected Characteristics. Safeguarding and Support at SARCHS are too addressed.
Introduction to gangs	This lesson will explore the distinction between healthy relationships and those that exhibit unhealthy characteristics which may signify they are part of gang activity. It will also explore why people join a gang so as to dispel the myths associated with this.
Risks of a gang	This lesson explores the risks and consequences of gang related behaviours. It also considers the pressures and manipulation techniques used on young people to join a gang and how they can resist these.
Leaving a gang	This lesson concludes learning about gangs by exploring exit strategies and support systems for those people who have concerns about gang activity.
Knife Crime	This lesson been designed to help reduce knife crime by equipping teachers to challenge the myths and communicate the realities of carrying a knife among young people. The lesson plans use the Home Office's #knifefree campaign as stimulus for discussion. Whilst it is important to raise the issue of knife crime with some communities, it is also important to emphasise that the vast majority of young people in this age range (99% of 10 - 29 year olds) do not carry a knife and this campaign focuses on celebrating those young people who, through their experiences, have chosen to live knife free.
Pol Ed – County Lines	Students will build resilience to becoming involved in county lines by learning the warning signs and being able to consider the risks involved. During the session, learners will learn what is meant by county lines, learn how gangs recruit for county lines, consider the impact of county lines and who can offer support and demonstrate skills of resilience and understanding risk.
