

## Post-results services

Post Results Services are only available to candidates sitting GCSE, GCE, Principal Learning & Projects (including Extended Project).

Centres with candidates who have not achieved the grade(s) that were expected of them may wish to pursue an Enquiry About Results (EAR) on behalf of a single candidate or a whole cohort. It is imperative the centre has written permission from each candidate concerned before processing a request for clerical re-checks or a post-results review of marking. In the event that a candidate wants to pursue an Enquiry about Results, they will be expected to pay the fee unless supported by school.

Awarding bodies will only accept applications for reviews of marking from centres and not from candidates or their parents.

**The candidate must fully understand that their marks for a given assessment may change following a Service 1 or Service 2 EAR and this could result in subject grades being raised or lowered.** Where there has been a reduction in marks or a downgrade, the request cannot be revoked and the original mark or grade cannot be reinstated.

The following EAR services are available.

1. Clerical checks
  - This is a re-check of all clerical procedures leading to the issue of a result and will include the following checks:
    - that all parts of the script have been marked;
    - the totalling of marks;
    - the recording of marks.
2. Review of original marking
  - This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. It is not a re-marking of the candidate's script. This service will include the clerical re-checks detailed in Service 1.
