Dear «Forenames»,

Congratulations on being offered a place at St. Augustine's.

I know that this is a busy time for Year 6 pupils and I am sure that you are working very hard at primary school. Moving to high school is always an exciting time and sometimes it can be a bit worrying too. Over the next few months we will do our best to make your move to St. Augustine's as easy as possible.

- In June we have our New Intake Days where you will have a chance to experience some lessons at St. Augustine's, meet some new friends and start to get to know your way around school. You will also have a chance to try the canteen and see some of our other facilities.
- We have a New Intake Evening on 23rd June when you will meet your new Form Teacher while your parents receive important information about the school.
- Last year we were able to offer pupils the opportunity to join us at our 'Summer School'. Special funding was given to school to hold this event. We do not yet know whether this will take place this year but we will let you and your family know.

St. Augustine's is a very busy place with lots of lunchtime activities and after-school clubs; music, sport, dance, drama, pupil council and many others. I would encourage you to get involved in at least one of these activities when you start in September so that you get the most out of your time at school. You can get some idea of what goes on by visiting our website www.sarchs.com and looking at our newsletters.

I would like to wish you a very happy final few months in your school and look forward to meeting you soon. Enclosed is a small gift from me which I hope you will use. You could even bring it to St. Augustine's in September if there is any ink left!

Best wishes,

MR M WRIGHT
Headteacher
