# Reading at SARCHS

At St Augustine's we recognise the importance of reading. Not only does it help you to be more successful academically, it also opens your eyes and minds to other worlds, encourages greater empathy, helps you relax and provides escapism. Over the summer holidays we would like you to try and read as much as possible and fill in the summer reading bingo sheet provided. If you return it to your English teacher in September, you will get a reward point for every box that has been filled in and you will also be entered into a raffle and could win some fantastic new books.

You don't have to buy lots of new books to take part in this challenge...

- Raid your family's bookshelves to see what's sitting right under your nose.
- Start a book swap with your friends—you could even discuss the books after you've all read them.
- Visit your local library.
- Search your local charity shop or car boot sale—lots of book bargains to be had!
- Look for free/cheaper books on the kindle .
- Have a look at Lancashire's online digital library: <https://www.lancashire.gov.uk/libraries-and-archives/libraries/your-library-at-home/>
